ARGENTIUM SILVER

BRIGHTER:	Argentium Silver is brighter and whiter than platinum, white gold, palladium and traditional Sterling.
NATURALLY BEAUTIFUL:	Argentium Silver does not require plating and is the natural colour of pure silver.
TARNISH RESISTANT:	Argentium Silver is low maintenance, easy to care for and simple to keep clean.
HYPOALLERGENIC:	Argentium is a better suited for those who are unable to wear traditional sterling silver.
PURER:	Argentium's 935 and 960 grades set new purity standards for silver.

OROAFRICA

TERMS & CONDITIONS

Opening an account

In order to open an account, you will first need to complete and sign the OROAFRICA account application form. Upon submission, please allow at least 10 days for processing and notification of credit terms. During the processing period, orders will be delivered on prepaid terms only.

Payments for prepaid and cash sales can be made via credit card (Visa and MasterCard).

Overdue accounts will be delivered on prepaid terms only. Accounts that are consistently overdue will have their credit limits lowered, with payment terms adjusted and interest charged accordingly.

Pricing

Please note that all items are sold by piece and not necessarily by weight. All weights included in this catalogue are an approximation, and are included solely for your reference.

All prices and weights listed are subject to change without prior notice.

To receive the most up to date price, contact our customer care line 0860-AFRICA.

Online Ordering

Register online at www.oroafrica.com and you will receive a personalized login. You will be able to view your prices and product availability in real time. Ordering is simple and available to you 24/7 where ever you may be.

Placing an order

To place an order with OROAFRICA, simply go online or call our Customer Care line on **0860-AFRICA** or email the details of your purchase to **orders@oroafrica.com**. There are no minimum order requirements.

Register online at **www.oroafrica.com** and place orders at your convenience

When placing your order, please refer to the style number detailed in the catalogue in order to ensure your order is captured correctly. Make sure to have your account number on hand, and remember to request a reference number for your order. This will help you track your order during the processing and delivery period.

Delivery

All in-stock items will be dispatched for next-day delivery, provided they have been ordered and paid for before the daily 1pm deadline. Delivery addresses that fall outside of major urban centres will require an additional day for delivery. Delivery fees will be charged on all orders, returns and exchanges. These charges are subject to change without prior notification. While deliveries are not usually made over weekends, they may be arranged at special request at an additional charge, please request a quotation for this service if required.

Returns

All merchandise may be returned to OROAFRICA within 15 days of the date of invoice, provided it is returned in the same condition and is accompanied with a copy of the invoice.

Returns are credited at the discretion of OROAFRICA.

Credit will be applied only to items but not to postage and delivery charges incurred in the sale of the product. Items not returned within 15 days, but which have a clear manufacturing defect, will only be considered for credit if returned within a maximum of 6 months from the date of purchase.

Any item purchased that does not meet the above parameters will be deemed to be free of manufacturing defects and may not be returned.

All items sold on an Appro basis are to be returned within 21 days from date of invoice, although this may be extended with written approval from management.

Postage and delivery charges will not be credited on any Appro goods.

Diamond Jewellery

The diamond qualities used are:

- H-J in colour and SI in clarity for 18kt merchandise
- H-J in colour and SI in clarity for 9kt merchandise

Due to the nature of the product, the actual stone weights may vary slightly from the advertised weights.

For diamonds larger than 0.25ct you may request a certificate of authenticity from an internationally recognized laboratory. This service is available at an additional charge, on special request.

Should you require a different quality of diamond than those advertised in this catalogue, this may be requested as a Special Order item.

Where items in the catalogue are not listed as having a centre stone, one will be provided on request.

Special orders

'Special orders' are orders whereby the item is customized in a particular way on your request, and therefore deviates from the standard item as advertised in the catalogue.

We will endeavor to provide your Special Order in the requested size or with the particular diamond specifications that you require; however, please note that manufacturing of special orders may have an implication on price and delivery lead times.

Any item ordered with a personalised engraving are considered Special Orders.

Special order items may not be returned or exchanged.

Copyright and Disclaimer

Please note that written authorization from OROAFRICA is required for any reproduction of this catalogue.

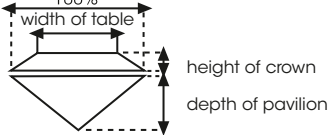

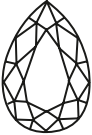

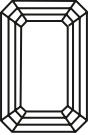

Where possible, items are shown in their actual size and colour; however there may be variations from the finished product due to the printing process.

We reserve the right to correct any errors in this catalogue and in the advertised price list without prior notice.
